UNAUTHORIZED STRIKE SPREADS

Brotherhood Men Are Now Acting as Strike Breakers

GOVERNMENT CAN ACT

Senator McCormick Introduces Resolution Calling for Immediate Investigation.

Chicago, April 9.—The unauthorized strike of switchmen and railroad enginemen which started in the Chicago district and spread yesterday to several cities, will be broken within the next 48 hours, A. F. Whitney, vice president of the Brotherhood of Railway Trainmen, and S. E. Heberling, international president of the Switchmen's Union of North America, predicetd last night.

The strike situation in Chicago showed some improvement during yesterday, but Whitney said that the traffic handled was still less than 50 per cent of normal. One thousand Brotherhood men from other cities have answered the call to come here as strikebreakers, he added.

Government control of railroads in districts where "outlaw" switchmen's organizations have gone on strike may be sought by bona fide railroad unions, S. E. Heberling said yesterday.

"The strike is illegal and is threatening serious hardship on the American people," he said. "If the strike continues, the government still has the power to act.

"We are still at war with Germany, and the President can again assume control of the railroads."

Bona fide railroad unions court investigation by the government in to the causes of the strike, said Heberling, commenting on the introducing of a resolution in the United States Senate yesterday by Senator McCormick, of Illinois.

At the offices of the switchmen's union here an official stated that a continuation of the strike for four or five days more means that Chicago will be on the verge of starvation.

Heberling estimated that between 4,000 and 5,000 switchmen in the country are on strike.

First indications of a break in the ranks of "outlaw" strikers came when Heberling announced that switchmen in Kansas City had returned to work.

A partial tie up of transportation on the Pacific Coast was threatened toady when the switchmen on roads running into Los Angeles walked out.

The strikes, which are now taking on the appearance of a general strike movement among insurgents in organized railroad labor, extended from the Pacific Coast to Buffalo.

The strike was reported to have reached serious proportions in Memphis, Toledo, Syracuse and Kansas City, in addition to Chicago and Buffalo, where the walkout first developed.

Washington, April 9.—Declaring that the present unauthorized railroad strike is assuming the proportions of a national menace, Senator McCormick, of Illinois, yesterday introduced a resolution calling for immediate investigation of the strike situation by the Senate Committee on Interstate Commerce. The resolution was approved and submitted to the Committee on Contingent Expenses.

GREEN STOCKINGS

There wasn't even a glimpse of those much talked of, bright hued hose at the High School last night, but did we hear about them? We did, indeed. In their performance of "Green Stockings," Miss Margaret Anglin's famous starring vehicle, at the High School auditorium last night, the High School players gave their audience an exhibition of splendid acting.

Miss Lynda Carver, as Celia Faraday, was to our minds, a professional. Her acting couldn't be equaled by any amateur and not even by some experienced actors.

Herbert Knight, as Colonel Smith, was as natural an English officer as ever trod the boards.

Miss Inez Moore gave us so good an example of the spoiled young society Miss that we think she must have been one of the season's debutantes.

As for Robert Tarver, the conceited young candidate for parliament, he could not have been more ably portrayed than by Milton Stonnell.

Miss Hilda Noonan lived up to our idea of the way a real English lady looks and acts in the most capable fashion. Miss Laurie Blewett as Mrs. Chisholm Faraday, of Chicago, gave two examples of fine acting which must be seen to be appreciated. The part of Mrs. Rockingham Celia's married sister, was well played by Miss Mildred Lloyd.

Magnue Bales, who took the part of Mr. Faraday, was a typical English gentleman, with his monocle and his passion for bridge and the luxuries of life. The gruff old admiral Fred West, was perfect.

For a picture of charming manners and courtesy, we recommend you to Emmett Lawler and Willard McGraw, playing the parts of night and see how much talent there swells. If you need a butler, ask Everett James to help you out. After seeing him last night, we are sure he could do it.

It will be worth while for anyone who has not seen this play to go tonight and see ho wmuch talent there is in our High School. Not only is their acting a credit to the boys and girls but the stage settings and properties are all the products of their energy and ingenuity.

If you want to see some truly fine acting and would like to have a number of good laughs besides, go to the High School auditorium tonight before 8:15 and see the Senior Class of the Alexandria High School in "Green Stockings."

LECTURE ON HAWAII

An interesting and instructive lecture on Hawaii, designated by some writers as the "Isle of Tranquil Delights," was given by Chaplain Fealy, U. S. A., of Fort Myer, before a good seized audience in the Lyceum Hall last night. Music was furnished by a number of members of the 3rd Cavalry Band, Fort Myer, and Sergt. Travers, Fort Myer, gave vocal selections. At the conclusion of the affair refreshments were served.

The hall was tastefully decorated with the national colors and the stage was palms and ferns.

The committee desires to thank Mr. Munch, at Bendheim's for decorations, the Ponnett Floral Company for ferns and the Mt. Vernon Dairy for cream furnished.

FRANCE ACTS ON OWN INITIATIVE

Allies Announce Their Opposition to Her Recent Procedure

BELGIUM OFFERS AID

Germany Makes Concessions to Trade Unions and Will Withdraw Troops From Ruhr Valley

London, April 9.—After a long conference which the French Ambassador, Paul Cambon, had with Premier Lloyd George yesterday, and a full discussion of the Franco-German incident by the Cabinet Council, at which the French view was fully explained to the British Ministers, an authoritative statement was issued to the effect that France acted entirely on her own initiative in deciding to occupy German towns; that Great Britain, the United States, Italy and Belgium were all opposed to the plan, and that France's action has caused a delicate situation.

Brussels, April 9.—At a council of ministers held yesterday under the presidency of the king the last events in Germany were examined.

In order to assert the principle of solidarity of the allies before Germany and as a token of friendship to France, it was decided to inform the French government that the Belgian government is ready to associate itself with France and to send a detachment in connection with the measures for the occupation of the Ruhr region.

Berlin, April 9.—The conference between the cabinet and officials of the trade unions and leaders of both Socialist parties, has brought about an agreement by the government to grant certain concessions in connection with the demands recently made. The government agrees to withdraw the troops from the Ruhr valley at the earliest feasible moment and to halt their advance into the region south of the Ruhr.

These concessions, together with the promise made by Minister of Defense Gessler that he would withdraw all troops which had committed excesses and that the Ruhr line would not be passed, are regarded as having averted a crisis for the time being.

COURT REFUSES TO GRANT WRIT

Case of David Crockett For Violating Prohibition Law

BEGINS SENTENCE

Appeal Will Now Be Made For a Writ of Error From Judge Brent's Decision to the Supreme Court of Appeal

In the circuit court for this city yesterday afternoon Judge S. G. Brent refused to grant a writ of habeas corpus in the case of David Crockett, who was convicted in the corporation court and sentenced to serve six months in jail and pay a fine of $1,000.

Charles Henry Smith, one of the attorneys representing Crockett, stated today that application will be made for a writ of error from Judge Brent's decision to the supreme court of appeals of Virginia.

Crockett, however, has already begun serving his jail sentence pending the decision of the higher court.

This case has been before the courts for some time past. His case was carried to the state court of appeals and that court refused to grant a writ of error and supersedeas. An amended appeal was subsequently filed and that appeal also was denied

DIRECTORS HERE

"Katcha-Koo" First Rehearsals Held Yesterday

The young people who are to participate in the "Katcha-Koo" extravaganza met the director yesterday afternoon in the Opera House. And last night the principals and older choruses and their first "try out." Everyone was delighted with the first reading of the piece. The lines and situations are universally clever and much hilarity resulted in adjusting well known local people to the roles and hearing them read some of the comedy lines for the first time. Among the principals already definitely cast are Dolly, Mrs. George E. Pickett; Prudence, Miss Evelyn Howard; Mrs. Chattie Gaddin, Miss Nellie Selden Uhler; Solejah, Miss Louise Griffith; Urbanah, Mrs. Ruth Proctor Ballenger; Katcha-Koo, Mr. Allen Roberts; Dick Horton, Mr. F. G. Duvall, Harry Bradstone, Edward Oliver; Maharjah, Mr. Rhodes; Chinese wife, Miss Fortune Kirkpatrick; Brazilian wife, Miss Mary Nalls; Irish wife, Miss Hilda Schneider and French wife, Miss Eugenia Griffith.

Other members of the cast will be selected at the next general rehearsal.

Not only does Katcha-Koo tell an orignal and amusing story, but there are also many briliant dances. The Auld Lang Syne Group, Polo Dance, Oriental Veil Dance and Yankee-Dixie Groups, especially are unique and effective. The rehearsal schedule for the next several days is as follows:

This aftrnoon at 3:30 the children of the various groups under sixteen years of age.

Tonight Polo group and Veil dancers, at 7:30. Tomorrow night a rehearsal of the cast and Monday night at 7:30 the orinetal ladies of rank and Priesteses of the temple. All rehearsals are held in the Opera House.

Mr. Johnson, the director, accomplished so much at the first rehearsals that the committee were quite carried away with enthusiasm. From the start it can be seen that Katcha Koo will have all the ear marks of the best professional road plays. Those on the committee are: John T. Worthington, Chas. M. Shepperson, Harry E. Hinken and Bernard Y. Hamilton.

The affair is under the auspices of Alexandria Post No. 24, American Legion.

IN MEMORIAM

In sad but loving remembrance of Raymond A. Beavers, who departed this life two years ago today, April 9, 1918.

O could I open wide the grave,
And see your dear face once more,
And hear your voice is all I crave,
As in the days' of yore.
The bloom of life was in his cheeks,
And bright glow in his eyes,
None knew that he so soon would change,
Or would so quickly die.
Once the music of his voice,
Made our happy hearts rejoice,
And his bright and smiling face,
Was the sunshine of our place.
The flowers we lay about his grave
May wither and decay,
But sweeter thoughts of memory
Within our hearts shall stay.

APPOMATTOX DAY

Fifty-five years ago today, General Robert E. Lee surrendered the Army of Northern Virginia at Appomattox and the fighting practically ended.

It was a day long to be remembered in Alexandria. When the news reached this city a number of natives who had ever believed in the sanctity of the American union made a rush for the engine houses, and the bells in the cupolas were rung for hours. The bells on the old Friendship and Relief houses were especially used for all they were worth, and during the procedure the latter was cracked. Artillery companies stationed in and near the city at the time fired salutes.

It was, however, a dismal day for Alexandrians who sympathized with the late Southern Confederacy, although many breathed easier when they realized that loved ones who had been battling for southern rights during the previous four years were likely to return home within a few weeks.

Economically considered the United States has grown almost beyond belief since that time. It now has three times the population of Appomattox day and fifty times the wealth. As a northern republican cotemporary says, "The Civil War left fewer scars than could have been imagined. The Great West yawned for toilers and they rushed to the vacant lands and the present owners now are rich. We have had our ups and downs, but just now the Nation is the greatest and most powerful as well as the richest in the world. The debts and casualties of the recent war are soon to be forgotten from the mass point of view.

"It is worth while mentioning that in this hemisphere, in spite of strikes and threats of strikes, in the face of various complications, the tendency is to increase production. That is what followed our Civil War. Appomattox was the beginning of an era of prosperity in this country. Unless Europe forgets its sorrows and its politics and its racial alignments and gets down to Mother Earth for consolation nothing of a constructive sort will happen."

THE STRIKE EPIDEMIC

Two strikes now going on in widely separated sections of the country tend as greatly to discredit union labor organizations as if they were conducted under official sanction. The so-called "unauthorized" railroad strike in the Chicago switching district has affected 25 railroads and thrown more than 50,000 men out of work. The dock strike in New York, also "unauthorized," has greatly disturbed shipping business and is causing serious losses. In each the strikers have defied their own officials and violated their contract. Members of unions are now operating as strikebreakers in Chicago.

As the Baltimore Sun says "nothing could discredit organized labor more than such spectacles as these. They are not only a repudiation of honest obligations, but seem to be a sign of union weakness. Repeated occurrences of this character will cause the public to think either that the unions cannot control their membership, or that their officials connive at these revolts. An order to strike is always obeyed. Why is the official organization powerless so often to call off a strike, to keep its army under discipline? If labor unions are strong only for attack, and impotent for the enforcement of agreements, they will rapidly lose standing and sympathy. They themselves will shatter and bring into contempt the principles of justice and fair dealing on which they profess to be founded.

"Their plea for collective bargaining is one which has enlisted the active support of many progressive minds outside of labor circles. But what is to be said for it if a bargain is to be regarded as only binding on the employer and is to be broken at the pleasure of the employe when he sees a chance to drive a harder bargain?

The principle of responsibility must be accepted by labor organizations for their own welfare not less than for that of the other side. If their word is not as good as their bond, then we shall necessarily come to a point where a penalizing bond must be given. The counterpart of collective bargaining will have to be the incorporation of the trades union under conditions that will make it financially responsible for breach of contract."

THE CASE OF MRS. CUMMINGS

Acquitted of the murder of her ten minute husband, S. Gordon Cumming, Mrs. Mittie Jester Cumming after her grilling experience in court resulting Wednesday in Hampton, Va., in her acquital declares she feels like a returned prodigal.

How Cumming had goaded his wife to the point of murdering him was the feature of the closing hours of her trial.

"I own the courts in Hampton, the judges, the police and the Mayor," he told her, "and if you don't stop bothering me for money I'll have you locked up in jail for good and never let you out again."

She related how, on one occasion when she had asked him if he could not possibly let her have a little more than $5 per week, he called Mayor Thomas Slater, who happened to be walking by. "Tom," the witness said, her husband stated, "I want you to look this woman up for annoying me." The husband's order was obeyed.

FAVORS ENDING WAR

Ballot in House Upholds Peace Declaration by Fifty-eight Majority

Washington, April 9.—The first test vote on the resolution of Republican leaders to declare peace, taken in the House yesterday afternoon indicated that it will be passed by a majority of 58.

By a vote of 213 to 155, which followed closely party lines, the House, after a bitter attack and defense of President Wilson's handling of the treaty situation, adopted the special rule making the peace resolution in order. The rule makes it mandatory for the House to start voting on the resolution at 5 o'clock this afternoon.

Seven Democrats bolted the party leadership and voted with the Republicans to take up the resolution. One Republican,—Fuller, of Massachusetts—voted against his party.

SERIOUS COAL SHORTAGE

Richmond, April 9.—Scarcity of coal and attendant high prices may be the cause of drastic act ionoETAOINE cause of dractic action of some kind on the part of State officials, who face today an alarming situation in supplying hospitals and other Virginia institutions with this necessary commodity.

Urgent appeals for fuel come almost daily to the office of State Purchasing Agent Charles A. Osborne, who confesses that he has about come to his wits' end in securing coal in any quantity to supply these needs.

Mr. Osborne says he is not advised of the Governor's authority in an emergency of this sort, but there may be a necessity in the near future for him to exert whatever power is vested in him under the laws and Constitution of the State.

Contracts for coal not only are almost impossible to secure, Mr. Osborne said, but the highest prices must be paid by the State for the small quantities it is able to get. For the thirty State and State-aided institutions in Virginia, something like 70,000 tons is needed a year.

None of the hospitals in the State, under the supervision of government officials, have on hand more than a two-weeks' supply of coal. Mr. Osborne has just secured a carload each for the one at Staunton and the one in Petersburg. This came at a high price and as a friendly concession of the owner.

FATAL RIOTS IN HOLY CITY

Jews and Mohammedans Clash Despite British Troop Patrol

Jerusalem, April 9.—Although martial law was proclaimed here Monday and the city is under heavy patrol by British troops, scattered fights occurred between Jews and Mohammedans Monday and Tuesday in the narrow lanes of the old city and outside the walls. Several persons were killed on both sides and about 250 were injured, most of them slightly.

When martial law was established entrance to the city was forbidden, but this rule was relaxed today and normal conditions seemed near. The city is under control of the Eighth Infantry Brigade of the British Army.

Mohammedan pilgrims who journeyed to El Khulil, about 15 miles southwest of Jerusalem, were kept in the Mosque inclosure there, where the Feast of Nebimoussa was held last Monday, with the grand mufti and mayor of the town present.

ADRIATIC ISSUE ENDS

Fiume Remains Italian and Jugo-Slavia Will Get Scutaria

London, April 9.—Italy and Jugo Slavia have reached an understanding on the Adriatic settlement, according to apparently reliable despatches. The agreement is said to include these main terms:

1—Fiume is to remain Italian.

2—Scutaria is to be given to Jugo Slavia.

In diplomatic circles it is averred Premier Lloyd George is the real author of this compromise scheme.

SURRENDER TO BRITISH

London, April 9.—The German warships Nassau and Ostfriesland arrived in the Firth of Forth yesterday and surrendered in accordance with the terms of the peace treaty.

The Ostriesland will be delivered to the United States.

MAY BE VOLUNTARY

Substitute for Compulsory Training Offered When Defeat of Latter is Assured

Washington, April 9.—Advocates of military training sprang a surprise on the opposition in the Senate yesterday by proposing a substitute for the compulsory training plan, recommended by the Military Affairs Committee, a voluntary plan under which all youths between 18 and 28 might take a four months course in military tactics.

The substitute was introduced by Senator Frelinghuysen, of New Jersey, who is himself an advocate of the compulsory plan. The vote on the voluntary plan is to be taken today.

A poll of the Senate is said to have shown that at least forty Democrats and fourteen Republicans will vote against the compulsory plan as reported by the committee.

ILL HEALTH OFTEN DUE TO NEGLECT OF KIDNEYS AND LIVER

Many organs take part in assimilation of food, and a number are active in eliminating those portions of the food which are not taken in to the blood for the upbuilding of the body. Of the eliminative organs, the liver and the kidneys are of major importance, and are most likely to be overworked and become diseased. When such is the case, various troubles of a digestive and eliminative character occur, and such troubles are so frequent and so common that it is absolutely necessary to find some relief. Warner's Safe Kidney and Liver Remedy was compounded over 40 years ago to help equalize the work of both kidneys and liver. How successful it has been is evidenced by its wide spread sale and its value is attested by an immense number of appreciative users who through these many years have put it to the severest tests with the most satisfactory results.

The experience of multitudes is sometimes worth more than the wisdom even of the brightest physicians. Hence, if you have liver or kidney troubles, you cannot do better than call upon your druggist for Warner's Safe Kidney and Liver Remedy.

"About 7 years ago I was so weak and worn out that I could hardly work. After trying other things without relief, I tried Warner's Safe Kidney and Liver Remedy. In a short time the pain left me, my urine cleared up and the rheumatism and dyspepsia vanished. We have used Warner's Safe Remedies ever since with great success in our family." O. F. Rose, Jurtonville, Kentucky, U. S. A.

Warner's Safe Kidney and Liver Remedy contains no harmful ingredients and should be used when the kidneys need attention.

Sold by Gibson's Drug Store. Samples sent on receipt of ten cents. Warner's Safe Remedies Co., Dept. Rochester, N. Y.

VIRGINIA NEWS

Wallace Harding, grocer, of Fredericksburg, was fined $100 and sentenced to 30 days in jail in Police court on a charge of selling essence of lemon as a beverage. The jail sentence was suspended. Harding, through his attorney, Wm. W. Butzner, pleaded not guilty and noted an appeal to the Corporation Court. Three witnesses said they had purchased lemon extract in quart quantities from Harding at his store, for $3.75 a quart.

Travelers arriving at Staunton from the mountain districts of Highland county Wednesday night reported snow there fourteen inches in depth. Snow fell in Staunton Wednesday night in flurries accompanied by considerable wind.

Robert H. Pride has been indicted in Federal Court in Richmond on the charge of stealing $15,860 from the Virginia National Bank of Petersburg. The alleged theft was committed more than a year ago.

The State Corporation Commission has under advisement the question of whether the city of Fredericksburg shall be permitted to condemn part of the terminal space of the Potomac, Fredericksburg and Piedmont Railway Company for the purpose of widening a street. It is declared that the condemnation is necessary so that congestion of traffic may be relieved. State Senator Goolrick, representing the railway company, contended that relief from congestion is hardly necessary in a city which has added but eight persons to its population in the last ten years.

Governor Westmoreland Davis has been elected president of the Leesburg Colt and Horse Show Association which will hold an exhibit at Leesburg June 9 and 10.

Federal agents are planning to take a hand in cases in which stolen automobiles are transported to other States. Heretofore it has been customary for the State Court in Richmond to handle all such cases, regardless of whether the interstate question was involved or not. Because of the greater facilities within the reach of the Federal authorities it is believed much better results will be attained in cases handled by them.

Guards armed with shotguns are walking post around the settlement of Pine Woods, Shenandoah county, where 22 cases of smallpox have been discovered. The village is isolated from the rest of the world since the strict quarantine has been declared.

Mrs. Mittie Jester Cumming recently acquitted in Hampton on the charge of murdering her husband, went home yesterday at the invitation of her brother, Louis Jester. Richard E. Byrd, attorney, who conducted her defense without pay, was the hero of Hampton following her acquittal. Before he left the courtroom Wednesday night a half dozen pretty girls fought their way to the bar inclosure and attempted to kiss him. He fled from the courthouse. Labor organizations of Hampton and Newport News offered him a purse of $400 to repay him in the woman's behalf. He refused the money. Many residents of Hampton sent tokens of esteem to Mrs. Cumming and her young son Kenneth.

KILLED BY EXPLOSION

Ponca City, Okla., April 9.—Two persons were killed and seven injured early yesterday by an explosion caused by escaping gas. The explosion occurred in the business building owned by F. C. Nonamaker. The blast rocked the entire city and broke plate glass windows a block away.

EXAMINE OUR GRADES WHEN CONSIDERING PRICES:

With prices on Lumber and other Building Materials at their present levels, there are many items in the lower grades which can often be substituted satisfactorily and at a considerable saving.

We have become so much impressed with the possibilities of doing this to advantage that we are exercising the greatest care in buying only from those mills who pay the closest attention to the manufacture and grading of their lower priced stocks.

We ask our customers to examine these grades when buying as we believe they will find some excellent values, and a knowledge of what a carefully selected lower grade really is will often prevent the buying of a so-called higher grade at a little under the market price for the high grade, when it is actually a lower grade and can be bought as such.

BANDIT ROBS MAIL TRAIN

Kansas City, April 9.—The mail car of Atchison, Topeka and Sante Fe Railroad, train No. 9, Chicago to Kansas City, was robbed by a bandit between Lexington Junction and Kansas City last night. No estimate of the amount of loot obtained was available.

The bandit boarded the train at Lexington Junction, Mo., which is thirty miles east of here. Entering the mail car, flourished a revolver, he forced four of the five mail clerks to lie face downward, on the floor, and compelled a fifth to bind them. He then bound the fifth man himself and proceeded leisurely to rifle the registered mail.

The bandit left the train at Sheffield, an industrial suburb of Kansas City.
